TEA SELECTIONS

FLORAL TEA

Floral teas are caffeine free.

Dragon Pearl Jasmine Classic A great jasmine, hand-picked and hand-rolled pearls of green and white. The smell and taste are sublime.

Rooibos Just north of Cape Town, South Africa, there is a relatively untouched resource called redbush. Having reached the U.S. only recently, Rooibos has become a favorite among tea drinkers.

DECAFFEINATED TEA

Decaf Ceylon High-quality black tea with the caffeine removed but the depth of flavor left intact. Our customers tell us this Ceylon is the only decaffeinated tea that tastes like “real tea.”

HERBAL TEA

Chamomile Our chamomile has an unusually strong, fresh scent that reminds us of green apples. Chamomile is known to calm the spirit.

FLAVORED TEA

Cinnamon Spice Our most popular flavored tea, this is a blend of black teas, three types of cinnamon, orange peel, and sweet cloves.

Mint Verbena Verbena has long been credited with magical properties and was used in ceremonies by the Romans and the druids of ancient Britain and Gaul. Feel renewed as you savor the soft citrus notes of verbena balanced with a hint of mint.
